O&M and Capital Budgets

Fiscal Year 2026-2027

The Board unanimously adopted a balanced O & M Budget in the amount of $1,521,450 for FY 2026-27. This budget funds all day to day operations of the District.

The Board also adopted the Capital Budget for FY 2026-27 in the amount of $405,788. This budget includes funds to continue the Tank Improvement Project, as well as the following repairs; replace the Variable Frequency Drives (VFD's) at the Zone C Pump Station, replace the office roof, and complete pavement maintenance at numerous sites.

Distict Office Repairs

Recently, there was a traffic accident that impacted the office. You may have noticed that the District Office is missing a sign. We are excited to announce that the construction of a new sign by Signarama in the amount of $12,573 has been authorized. We look forward to being able to inform you of upcoming meetings soon!

D&A Construction will repair the damage to the District building in the amount of $8,373. In the meantime, our dedicated District staff has been repairing the fencing on site.

We are incredibly grateful to PG&E and AT&T for their quick work in getting our new utility poles and lines up and running. Thank you for your patience as we restore and improve our facilities. Stay tuned for upcoming meeting schedules!

Back to School Joke:

What will happen if you swallow a book of synonyms? "You'll get thesaurus throat you ever had."

SHASTA COUNTY DISTRICT 2

School is Starting Soon... Watch for the BUS!

Just a reminder that school is starting. Please remember to be alert to the school buses picking up and dropping off children and be on the look out for children taking advantage of walking or cycling to and from school. Please remember to reduce your speed during school hours and be courteous with your driving habits.

Scheduled Board Meetings:

The next Special Board of Director's Meeting will be held Wednesday, August 12th at 7:00 pm, at the District Office.

The public is always welcome.

Average Water Usage

Compare the usage on your water bill with the average of the District.

July's Average: 5,600 cubic - feet.
