## Volunteer Needed to Represent the District on the Centerville Education Foundation Committee

The Centerville Education Foundation Committee was founded in 1988. Its main objective is to provide assistance and resources to support and enhance the educational opportunities for students residing in the Grant School District, including but not limited to, elementary, intermediate, junior high and senior high schools and colleges attended by such students.

This Committee consists of at least six members. One (1) is appointed by the President of the Board of Trustees of the Grant School District, one (1) is appointed by the President of the Board of the Centerville Community Services District, one (1) is appointed by the President of the Grant School PTA and the remaining three (3) members are referred to as "Reserve Directors".

This is a voting member position and it is requested that you attend the monthly meetings to help maintain a quorum. Meetings are held the first Tuesday of each month at 7:00 pm. There is no compensation for sitting on the Centerville Education Foundation Committee. Your reward will be in the joy you bring to the teachers and students by helping raise funds for equipment and materials the school might not have been otherwise able to provide.

If you are interested in participating in the Centerville Education Foundation Committee, please contact the District Office at 246-0680. We look forward to hearing from you.

## Quotable Quotes:

"May your blessings outnumber the shamrocks that grow, and may trouble avoid you wherever you go."  
*Irish blessing*

LUCK  
O' THE  
IRISH

# St. Patrick's Day - Fun Facts

Legend says that each leaf of the clover means something: the first is for hope, the second for faith, the third for love and the fourth for luck.

One estimate suggests that there are about 10,000 regular three-leaf clovers for every lucky four-leaf clover.

Did you know that, according to tradition, leprechauns wore red, not green? They wore fine clothes, liked to play tricks, and made shoes for a living. The image above is nothing like the images of leprechauns found in old stories.

## Water Cooler

### Fun Facts About the North State

Did You Know...that Redding is the sunniest city in California? In fact, it's the second sunniest city in the United States with 88% of available sunshine. And that's with an average annual rainfall of about 34 inches.

Did You Know...that the Sacramento River is California's longest river. It is over 400 miles long. Beginning near Mt. Shasta and flowing into the San Francisco Bay.

Did You Know...that Shasta Dam contains enough concrete to build a 3-foot wide sidewalk around the world at the equator.

Did You Know...that Mount Shasta pre-dates the last ice age. Five glaciers survive on the mountain waiting patiently for the next ice age.

### COVID VACCINATIONS

Have you signed up to get your COVID Vaccination? If not, go to the website below and register:
