Be Prepared for an Earthquake! Download the MyShake app today.

April is Earthquake Preparedness Month, and while it's a great reminder to get ready now, earthquake preparedness is something Californians should think about year-round.

That's why knowing what to do if an earthquake hits our community is essential, because it's not a matter of if an earthquake will strike, but when.

Download the free MyShake app to receive earthquake alerts before shaking begins, because seconds matter. You can also sign up for local government emergency alerts in your area.

Happy Mother's Day!

As a reminder, the District Office does not issue burn permits. The only way to obtain one is to go to the following web link https://burnpermit.fire.ca.gov. The page also has helpful information on debris burning.

Scheduled Board Meetings:

The next scheduled Board of Director's Meeting will be held Wednesday, May 20th at 7:00 pm, at the District Office.

The public is always welcome.

Average Water Usage

Compare the usage on your water bill with the average of the District.
