**DUE DATE AND DELINQUENCY NOTICES:**

Bills are due and payable at the District office upon receipt. A delinquent notice will be sent and a penalty of ten percent (10%) will be charged by the District if the bill is not paid by the 20<sup>th</sup> of the month. The delinquent notice allows the customer approximately 30 days in which to pay their bill. At the end of that time period, if the bill remains unpaid, a Second Notice of Delinquency will be sent allowing the customer until the next billing due date to pay the bill. If the account remains unpaid by that due date, a Final Disconnection Notice letter is mailed giving the customer an additional 10 days to pay the invoice. If the invoice is not paid by that due date, a 24-hour Notice is hand delivered and a \$15.00 fee is assessed to the customer's account. The customer will have 24 hours to contact the office to make arrangements for payment. According to Ordinance 2020-02, adopted by the Board of Directors on March 18, 2020, with an effective date of March 18, 2020. If the Disconnection of Service is enforced and service discontinued, a \$50.00 Turn-On charge for reconnection of service during normal business hours or a \$100.00 Turn-On charge for reconnections made after hours will be assessed to the account. The customer will need to bring the account current, plus provide a \$200.00 credit deposit before services will be restored.

**RENTAL DEPOSIT:**

Upon applying for water service from the District, tenants and brokers shall deposit with the District the sum of **\$100.00**, unless the property owner signs a Deposit Waiver and takes on the responsibility should the tenant leave with a balance due on their account. Deposit Waiver forms are available at the District Office as well as on our website. The deposit is refundable upon payment of the closing bill.

**CREDIT DEPOSIT:**

A Credit Deposit of **\$200.00** will be collected from all new customers, unless they can provide a clean payment history with no late payments over the last 12 months from their prior water provider.
