In Memoriam: Honoring Director Eric Woodstrom

It is with deep sadness and heavy hearts that we announce the passing of our long time Board Member, Eric Woodstrom, who passed away on August 25, 2026.

Eric joined our Board in February 2009 and served our community with unwavering commitment for over 17 years. Throughout his tenure, Eric lent his leadership and expertise to several vital groups, including the District's Finance Committee, the Personnel Committee, and the Water Treatment Plant Ad Hoc Committee. His business management and financial background were invaluable in shaping the infrastructure and future of our district. His input and direction were highly respected and he was a mentor to other Board members.

Beyond his professional contributions, Eric was a cornerstone of our community. He raised his family here, touched countless lives with his kindness, and was a proud, active member of the Rotary Club of Redding, CA. He served on several boards including the Turtle Bay Board of Regents and was a beloved former coach and mentor for numerous members of the community.

Eric's legacy of service, leadership, and community will not be forgotten. We extend our deepest condolences to his family, friends, and everyone who had the privilege of working alongside him. He will be greatly missed.

BOARD MEMBER VACANCIES

Interested persons are hereby notified that pursuant to Government Code §1780 there are two vacancies on the District Board of Directors. The positions to be filled are:

1. A **2-year term** ending in December 2028. Letters of interest will be accepted through October 14th at 4:30 pm.
2. A **4-year term** ending in December 2030. Letters of interest will be accepted through October 7th at 4:30 pm.

Your letter and resume can be mailed to 8930 Placer Road, Redding, CA, 96001 or emailed to cmuehlbacher@centervillecsd.com.

The Letter of Interest should include your name, address, phone number and information for the Board as to why you should be appointed.

Volunteer Needed to Represent the District

The Centerville Education Foundation Committee is looking for a volunteer to represent the District. If you are interested please contact the District Office for more information.

An Important Message to Our Valued Customers Regarding the Recent Boil Water Notice

As you may know, the recent Boil Water Notice issued on September 13th was officially rescinded on September 15th after testing confirmed that our water is fully safe to drink. However, we want to provide you with complete transparency regarding what occurred, what steps were taken, and how we plan to keep you better informed moving forward.

What Happened

The Centerville Community Services District (CSD) receives its water from the Clear Creek CSD Water Treatment Plant. While Centerville CSD pays its fair share of all operational costs, Clear Creek CSD is solely responsible for daily plant operations.

On Saturday, September 12th, the Treatment Plant experienced a power outage. Unfortunately, the backup generator failed and a valve stayed open. Once power was restored it was estimated that approximately 25,000 gallons of unchlorinated, filtered water entered the transmission main.

Required Testing

To ensure a safe and reliable water source, our operators are required to sample and test the water. It takes about 24 to 48 hours to get the water quality test results.

Our Commitment to You

Our core mission is to provide a reliable, adequate supply of high-quality water at the lowest reasonable price, and in an environmentally responsible manner. We sincerely apologize for any disruption and inconvenience this situation caused your household. Moving forward we fully intend to provide you with **daily updates** so that you have the most current information available.

Staying Informed

Our goal is to keep you well-informed. We currently use an automated voice system using your phone number and our website alert system. Please take a moment to ensure we can reach you when it matters most:

Update Your Contact Info: Verify that the District has your current phone number on file by calling our office at (530) 246-0680.

Sign Up for Alerts: Visit our website at www.centervillecsd.org to sign up for direct text or email notifications.

Thank you for your continued partnership and understanding.

Scheduled Board Meetings:

The next Regular Board of Director's Meeting will be held Wednesday, October 21st at 7:00 pm, at the District Office.

The public is always welcome.

Average Water Usage

Compare the usage on your water bill with the average of the District.

September's Average: 5,400 cubic - feet.
